

VIRTEO

Virteo (www.virteo.com) is a young and dynamic company. We started 4 years ago and are a real FinTech player. We work with parties in the legal sector, such as bailiffs, lawyers and their ties with the order-to-cash processes of all sorts of companies. In this branch, we are the gamechanger with our SaaS and platform approach. Our focus is business model innovation, technology and usability.

To realize this, we invest a lot in our team, our people. We build top-teams of enthusiastic people with top-skills. From our side, we do our utmost to be a top-employer and to create the space to develop yourself. Our core values are authenticity, respect and freedom. We find it important that you feel comfortable and involved in Virteo. Therefore, we go for the new way of working, where traditional hierarchy, fixed places and hours are replaced by an informal and flat structure with a lot of flexibility in place and time, and with colleagues that you can count on.

To enforce our team in Mechelen, and to ensure our growth, we are looking for a

Senior .NET Developer & Technical Lead
